General Notes: "Paul Fought, a pioneer of Perry and Sandusky Counties (Ohio) was born July 11, 1818 and died June 22, 1904 at the age of 85 years, 11 months and 11 days.

Eighty-five years is a period that stretches back into the days when even the older portion of the state was in rather a primitive condition, and when this quarter of the state was considered wild and undeveloped western territory. Those were days of toil, hardship, of conflict with the forests, waters and more or less with wild beasts. Rugged natures and stalwart bodily frames were demanded in those times. But in Paul Fought there was a condition of will and physical energy that answered well to those sturdy and strenuous times. Farming of today compared to farming of those times is almost a pastime and recreation, but notwithstanding the hardship of pioneer farm life he made this his life work, and made a marked success of it. He accumulated quite a fortune, most of which he distributed among his children some years ago.

He was first united in marriage with Mary Hetrick, who preceded him to the other world Feb 22, 1865, and to them were born thirteen children, namely Amos, Simon, Eli, Isreal, Eliza, Jeremiah, Sarak, Mary, Ema, Lucy, Alice, and Alvin and an infant. By a second marriage he became the husband of Miss Sarah Parrot, who died June 10, 1880, and to this union were born three children, namely John, Otto, and Ella. Of these only four have been called away by death.

He came to Sandusky County about 1841 and followed his chosen occupation of farming until he retired from the farm a number of years ago. In early life he united with the Reformed Church, but for many years, on account of impaired hearing, was not able to hear the word of preaching.

In his departure an old landmark is removed; however, the evidences of his thrift labor and economy are still remaining. And the numerous family who have been so liberally remembered by him in the days of thoughtful, fatherly interest and kindness will ever cherish the truest filial thoughts concerning those sterling and redeeming qualities in their father enumerated in this brief sketch of his life." 61. **PETER HETRICK** (*Johann (George) Philip*⁹, *John Nicholas*¹) was born on 5 Oct 1806 in Northumberland Co., Pennsylvania,¹ died on 21 Sep 1879 in Rice Twp., Sandusky Co., Ohio, at age 72,^{47, 48} and was buried in St. Paul's Lutheran Cemetery, Rice Twp., Sandusky Co., Ohio.⁴⁹ The cause of his death was cancer, stomach.

General Notes: "Peter Hetrick moved to Rice Township, Sandusky County, Ohio in 1832 from Northumberland County, Pennsylvania with his wife Judith (Hentzel/Hensel) and sons, Jacob and Daniel. He bought 160 acres of land from the State of Ohio on July 2, 1832. According to the deed, it is described as the Southeast quarter of section number thirty-one Township six north in range number fifteen east. The deed was recorded July 22, 1834.

Peter helped found the St. Paul's Lutheran Church and gave the use of his barn and house as a meeting place until a log building was erected in 1844 on land which he deeded to the congregation for church use." [Reference: Material provided by Freida Hetrick Ried, 1977].

"Peter Hetrick was the first of the "Pennsylvania Dutch" arriving in the (Rice) Township. He came to this community while still a boy in the 1820's but then returned to Pennsylvania. The memories of the Black Swamp remained in his mind and after being married, he decided to return again to this area in 1832. His eight sons were instrumental in clearing the forest and draining the land so it could be farmed. Other settlers coming from Pennsylvania were Adam Kreilick in 1834 followed by Michael and Hugh B. Hinline." [Reference: "The Land I Call Home" by Mrs. Donald Schatt, 1965. - provided by Freida Hetrick Ried, 1977].

"Peter Hetrick, one of the old pioneers of Sandusky County, died at his residence in the western part of Rice Township, Sunday morning September 21, 1879, from cancer of the stomach. Mr. Hetrick was born in Northumberland County, Pennsylvania, October 5, 1806. He was married April 4, 1828 to Judith [sic] Albert and moved to Rice Twp. in 1832, where he has resided ever since on the same farm. He leaves a wife [sic] older than himself, smart and enjoying good health. He was the father of thirteen children all but two are now living, the grandfather of sixty seven, ten of them deceased, and the great-grandfather of eleven, one of them deceased. All this numerous family are worthy and honored members of the Community. The funeral services were held at the residence of the deceased and were conducted by Rev. H. Lang. Father Hetrick and all his children were members of the Lutheran Church. Rev. Lang has baptized all of father Hetrick's host of dependents and most of them have been confirmed in the Lutheran Church." [Ref: A Newspaper Obituary: "Death of An Old Pioneer" Fremont Journal, 9-26-1879]

"About 1832, the western part of Rice Township began to fill up with what is commonly known as "Pennsylvania Dutch". Peter Hetrick settled near the present location of the St. Paul Lutheran Church. He had a family of eight sons and five daughters and with considerable labor the forests were reduced and from the openings made, fine farms were soon cleared up. Peter Hetrick and Adam Kreilich were the leading members of the Lutheran Church and meetings were held at their residences. Rev. Henry Lang of Fremont, Ohio then formally organized a society in 1843, and in 1844 a log church was built. Services were in German." [From "History of Sandusky County." 1882]

"We know that Peter Hetrick migrated from Pennsylvania and with the Druckenmiller family, settled in Rice Twp. of Sandusky County, Ohio. Peter Hetrick settled on a farm where the St. Paul Lutheran Church was later located. At that time, however, there were no roads extending north of McPherson highway (State Route 20) so it was necessary for the party to clear their own road (later became the Four-Mile House Road), cutting trees and filling in swamps. The church services of the community were held in the Hetrick barn, later in a log house, erected for that purpose, on the Druckenmiller property a few miles north. The present church and cemetery are located on the original Peter Hetrick land and it is in this cemetery that the family is buried.
